

FASTAID GENERIC AED WALL BRACKET

Description

- Suits most AEDs
- Easy access in an emergency
- Easy to install
- ANZCOR approved signage
- High visibility

FastAid's AED wall bracket is designed for securely mounting AEDs for ease of access and use in emergencies. The cost-effective bracket is easy to install and helps keep the defibrillator dust free, helping extend its lifespan. The high visibility green color aids in ensuring high visibility in the workplace, so you can easily find it in an emergency.
