The FastAid DuraKart™ Beach Cart is a must have when camping, going to the beach or even moving things around the yard on gardening day. The cart has been designed with safety features such as a handle that locks in place, preventing it from collapsing while in use and integrated wheel brakes to prevent runaway.

With a durable powder coated steel frame and tough polyester fabric, the FastAid DuraKart™ Beach Cart is designed to handle the rigours of transporting your gear. Two integrated cup holders are also very handy.
