

FASTAID PERSONAL™ SOFT PACK FIRST AID KIT

Description

- Blue fabric soft pack
- Tough water-resistant backed fabric
- TGA registered no. 128314
- Portable personal kit with belt loops
- Designed for those out and about

The FastAid Personal™ soft pack first aid kit is designed for attending to minor everyday personal injuries whilst out and about.

The Personal™ kits compact case design makes it perfect for fitting into small spaces such as your backpack or PPE kit.

Containing essential premium hospital grade contents like adhesive plasters, wound wipes, splinter probes and more, the Personal™ kit has all the basics you need to attend to minor injuries like cuts and grazes.

Practical internal zippered compartments help assist with contents organisation, ensuring they are easy to access.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Adjustable velcro belt loops straps also included for when you are outdoors on the go.
