

# FASTAID DIY WORKSHOP™ SOFT PACK FIRST AID KIT

## Description

- 166 piece first aid kit
- Tough dust proof plastic case
- TGA registered no. 128314
- Portable with carry handle
- Contains a wide range of essentials

The FastAid DIY Workshop™ plastic first aid kit contains 166 quality first aid items to assist with treating a range of injuries when at home in the workshop or for recreational purposes such as boating or fishing.

A heavy duty and highly portable dust proof plastic case, the DIY Workshop™ kit is designed to take the hard knocks of life and ensures you are prepared for those unexpected first aid emergencies.

Loaded with premium TGA registered hospital grade contents, the DIY Workshop™ kit assists with effectively providing CPR, treating eye injuries, sprains, fractures, burns, cuts, wounds, splinters and more serious bleeds.

Contains valuable extras such as hydrogel burn gel for cooling those nasty drill bit burns or even providing relief to sunburn. Also includes disposable splinter probes.

This kit includes a colour-coded guide for emergency first aid, to help you deal with unexpected injuries effectively and quickly.
