

# FASTAID LIMITED EDITION MODULAR SURVIVAL™ SOFT PACK FIRST AID KIT

## Description

- 6 colour coded treatment modules
- Fast and easy to locate the right item
- Durable soft pack case
- TGA registered no. 128314
- Reflective tape for increased visibility

Whether it's indoors or outdoors, at home, work or while you are traveling, you don't want to be caught unprepared in a first aid emergency. The FastAid Modular Survival™ first aid kit contains 6 colour coded modules to make it fast and easy to identify the right treatment for the injury.

Compliant with current WHS regulations for work vehicles and worksites with up to 25 persons, the FastAid Modular Survival™ first aid kit contains all the first aid essentials you need to effectively treat a wide range of injuries.

Truly a complete emergency pack, this kit contains a wide range of hospital grade TGA registered first aid items to help prevent as well as cure. Includes additional extra's such as aloe vera spray, insect repellent, hydrogel burns treatments, hand sanitiser, whistle and compass, LED torch, poncho and even duct tape! A must for anyone who is serious about being properly first aid prepared.

Colour coded treatment modules for; bites and stings, burns and scalds, cuts and wounds, first aid essentials, outdoor prevention and S.O.S and emergency. The FastAid Modular Survival™ first aid kit contains colour coded contents to help make it easier to identify the right item within each module.

All neatly packed in a medium sized case with reflective tape to increase kit visibility in low light conditions, and a roll out clean work area sheet this kit will have you prepared and ready to respond to that unexpected emergency.
