

FASTAID R1 UTE MAX™ PLASTIC PORTABLE FIRST AID KIT

Description

- Plastic portable case
- Integrated wall mount bracket included
- TGA registered no. 128314
- Compliant for 1-10 persons vehicles
- Includes snake and spider bite treatments

A deluxe first aid kit for tradies and delivery drivers, the grab and run FastAid R1 Ute Max™ is perfect for work utes or vans, containing a wide range of first aid essentials.

The FastAid R1 Ute Max™ meets and exceeds the current WHS regulations for work vehicles with 1-10 people. You can rest assured that you are first aid prepared in case of an emergency.

Loaded with essential TGA registered quality hospital grade extras including splinter probes, hydrogel burn gel, saline eye wash, instant ice pack, this first aid kit has a wide range of first aid essentials to treat common injuries sustained in the vehicle environment. Also contains snake and spider bite treatments and full colour identification and treatment guide.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Highly portable medium sized plastic case with an integrated wall mount bracket for storage, ensuring you are ready for that unexpected roadside emergency.
