

# FASTAID R2 CONSTRUCTA MAX™ PLASTIC PORTABLE FIRST AID KIT

## Description

- Green plastic portable case
- Includes integrated wall mount bracket
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Designed for construction sites and tradies

The FastAid R2 Constructa Max™ first aid kit is a high-quality kit designed for both low and high-risk applications, exceeding the WHS requirements for Australian workplaces in the construction and trades industries.

This first aid kit meets the WHS regulations for workplaces that have 1-25 people and contains items that are specially designed for treating injuries that can happen in the construction and building industries.

A comprehensive range of premium hospital grade contents and two additional modules for treating eye injuries and outdoor risks such as snake and spider bites are packed in the R2 Constructa Max™ first aid kit. A full colour snake and spider bite identification chart and treatment guide is also included.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Packed in a green plastic portable case, the R2 Workplace Response™ first aid kit also includes an integrated wall mount bracket to ensure your kit stays highly visible and easily accessible. Simply grab and go when that unexpected emergency arises.

## Compliance

**Green** denotes compliance
