

# FASTAID R2 CONSTRUCTA MAX™ FIRST AID REFILL PACK

## Description

- Handy complete refill pack for instant compliance
- Save time and hassle refilling your first aid kit
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Ideal for construction sites and tradies

The FastAid R2 Constructa Max™ first aid refill pack is a low and high workplace first aid kit refill pack that contains contents specific to WHS requirements for Australian workplaces.

Compliant with the current WHS regulations for workplaces with 1-25 people, this refill pack is ideal for both low and high-risk workplaces such as construction sites and tradies.

A comprehensive range of premium hospital grade contents and two additional modules for treating eye and outdoor injuries, such as snake and spider bites, are included in the R2 Constructa Max™ first aid refill pack. A full colour snake and spider bite identification chart and treatment guide is also included.

Save time, hassle and money by utilising this refill pack to replenish your existing workplace first aid kit, ensuring you are instantly compliant with national regulations.

Unique colour coded contents make locating the right item in an emergency faster and easier.
