

FASTAID R2 INDUSTRIA MAX™ TACKLE BOX FIRST AID KIT

Description

- Green portable tackle box case
- Internal compartments with lift out tray
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Ideal for manufacturing and warehouses

The FastAid R2 Industria Max™ first aid kit is a premium-quality kit designed for both low and high-risk workplaces, exceeding the WHS requirements for Australian workplaces in the manufacturing and general workplace sectors.

This first aid kit complies with WHS regulations for workplaces with 1-25 persons and includes specific first aid items for treating injuries common in factory and general workplace environments.

A comprehensive range of premium hospital grade contents are included in the FastAid R2 Industria Max™ kit, as well as two additional modules for treating burn and eye injuries. Includes extras such as hydrogel burn gels and dressings for effective burns treatment, including treatment guides.

Unique colour coded contents make locating the right item in an emergency faster and easier.

The FastAid portable tackle box case is a popular rugged grab and go rugged case, including a lift out tray and internal compartments to assist with contents organisation. A soft grip carry handle makes the tackle box comfortable to hold in the hand while on the move to that unexpected emergency.
