

FASTAID R2 INDUSTRIA MAX™ FIRST AID REFILL PACK

Description

- Handy complete refill pack for instant compliance
- Save time and hassle refilling your first aid kit
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Ideal for manufacturing and warehouses

The FastAid R2 Industria Max™ first aid refill pack is a low and high workplace first aid kit refill pack that contains contents specific to WHS requirements for Australian workplaces.

Compliant with the current WHS regulations for workplaces with 1-25 people, this refill pack is ideal for both low and high-risk workplaces in the manufacturing and general workplace sectors.

A comprehensive range of premium hospital grade contents are included in the FastAid R2 Industria Max™ refill kit, as well as two additional modules for treating burn and eye injuries. Includes extras such as hydrogel burn gels and dressings for effective burns treatment, including treatment guides.

Save time, hassle and money by utilising this refill pack to replenish your existing workplace first aid kit, ensuring you are instantly compliant with national regulations.

Unique colour coded contents make locating the right item in an emergency faster and easier.
