

FASTAID R2 TRUCK & PLANT OPERATORS™ SOFT PACK FIRST AID KIT

Description

- Blue fabric soft pack
- Tough water-resistant backed fabric
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Ideal for trucks and site plant

The FastAid R2 Truck & Plant Operators™ first aid kit is a premium low and high-risk kit that contains contents specific to WHS requirements for Australian workplaces including both mobile plant and site work.

Compliant with the current WHS regulations for workplaces with 1-25 persons, this first aid kit is designed with contents specifically suited to injuries sustained in the transport and civil industries.

The R2 Truck & Plant Operators™ first aid kit is packed with a comprehensive range of premium hospital grade contents and two additional modules for treatment of eye injuries and outdoor risks including snake and spider bites.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Highly portable soft pack case includes internal fold out compartments to assist with kit organisation. A reflective strip on the case exterior assists with locating your first aid kit in low light conditions.

Also contains a bonus wall mount bracket for convenient wall hanging to keep your kit highly visible.
