FASTAID R2 RESPONSE PLUS™ METAL CABINET FIRST AID KIT

FASTAID
First Aid...for life

Description

- White metal wall mount cabinet
- Quality heavy gauge steel
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Burns, eye and outdoor modules for high-risk sites

The FastAid R2 Response Plus™ first aid kit is a premium-quality kit designed for both low and high-risk workplaces, exceeding the WHS requirements for Australian workplaces across most industries.

This first aid kit complies with WHS regulations for workplaces with 1-25 persons and includes specific first aid items for treating injuries common in higher risk environments where equipment and machinery is used.

A comprehensive range of premium hospital grade contents are included in the FastAid R2 Response Plus™ kit, as well as three additional modules for treating burn injuries, eye injuries and outdoor risks such as snake and spider bites. Includes extras such as hydrogel burn gels and dressings for effective burns treatment, including treatment guides. Includes a full colour snake and spider bite identification and treatment guide and appropriate contents to effectively treat bites.

Unique colour coded contents make locating the right item in an emergency faster and easier.

FastAid's first aid metal wall cabinets are built from a heavier gauge steel than standard to ensure they stand up to the rigours of the workplace. The organisation sleeve on the inside of the cabinet door provide space for you to place your high use first aid items and treatment guidance to ensure fast and easy access.
