

FASTAID R2 RESPONSE PLUS™ SOFT PACK FIRST AID KIT

Description

- Red fabric soft pack
- Tough water-resistant backed fabric
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Burns, eye and outdoor modules for high-risk sites

The FastAid R2 Response Plus™ first aid kit is a premium-quality kit designed for both low and high-risk workplaces, exceeding the WHS requirements for Australian workplaces across most industries.

This first aid kit complies with WHS regulations for workplaces with 1-25 persons and includes specific first aid items for treating injuries common in higher risk environments where equipment and machinery is used.

A comprehensive range of premium hospital grade contents are included in the FastAid R2 Response Plus™ kit, as well as three additional modules for treating burn injuries, eye injuries and outdoor risks such as snake and spider bites. Includes extras such as hydrogel burn gels and dressings for effective burns treatment, including treatment guides. Includes a full colour snake and spider bite identification and treatment guide and appropriate contents to effectively treat bites.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Highly portable soft pack case includes internal fold out compartments to assist with kit organisation. A reflective strip on the case exterior assists with locating your first aid kit in low light conditions.

Also contains a bonus wall mount bracket for convenient wall hanging to keep your kit highly visible.
