

FASTAID R2 FOODMAX BLUES™ SOFT PACK FIRST AID KIT

Description

- Blue fabric soft pack
- Tough water-resistant backed fabric
- TGA registered no. 128314
- Compliant for 1-25 person food area workplaces
- Compliant to the Food Safety Act

The FastAid R2 Foodmax Blues™ first aid kit is just what it sounds like; a WHS compliant first aid kit for commercial food preparation areas to ensure compliance with the Food Safety Act.

This first aid kit complies with national WHS regulations and the Food Safety Act for workplaces with 1-25 persons and includes specific first aid items for treating injuries common in commercial kitchen environments where food preparation is carried out.

A comprehensive range of premium hospital grade contents are included in the FastAid R2 Foodmax Blues™ kit, as well as an additional module for treating burn injuries, including hydrogel burn gels and dressings for effective burns treatment, plus treatment guides. Also includes visual and metal detectable blue adhesive plasters for compliance with the Food Safety Act.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Highly portable soft pack case includes internal fold out compartments to assist with kit organisation. A reflective strip on the case exterior assists with locating your first aid kit in low light conditions.

Also contains a bonus wall mount bracket for convenient wall hanging to keep your kit highly visible.
