

FASTAID R2 TELCO NATIONAL VEHICLE™ SOFT PACK FIRST AID KIT

Description

- Red fabric soft pack
- Tough water-resistant backed fabric
- TGA registered no. 128314
- Compliant for 1-25 person workplaces
- Covers telco contractors for site and remote work

The FastAid R2 Telco National Vehicle™ first aid kit is a premium-quality kit tailored to meet the WHS requirements of Australian telco contractors, suitable for both site and remote work environments in low and high risk environments.

This first aid kit, compliant with current WHS regulations for workplaces accommodating 1-25 persons, including remote areas, is equipped with contents tailored for injuries common in the telecommunications contracting sectors.

A comprehensive range of premium hospital grade contents are included in the FastAid R2 Telco National Vehicle™ kit, as well as three additional modules for treating burn injuries, eye injuries and outdoor risks such as snake and spider bites. Includes extras such as hydrogel burn gels and dressings for effective burns treatment, including treatment guides. Includes a full colour snake and spider bite identification and treatment guide and appropriate contents to effectively treat bites.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Highly portable soft pack case includes internal fold out compartments to assist with kit organisation. A reflective strip on the case exterior assists with locating your first aid kit in low light conditions.

Also contains a bonus wall mount bracket for convenient wall hanging to keep your kit highly visible.
