

FASTAID R3 TRAUMA EMERGENCY RESPONSE PRO™ FIRST AID REFILL PACK

Description

- Handy complete refill pack for instant compliance
- Save time and hassle refilling your first aid kit
- TGA registered no. 128314
- 1-50 person low and 1-25 person high risk compliant
- The ultimate trauma kit ideal for first aid rooms

The FastAid R3 Trauma Emergency Response Pro™ refill pack is the ultimate trauma response refill kit, perfect for first aid rooms in any workplace. It exceeds the national Work Health and Safety (WHS) requirements for Australian workplaces.

Compliant with the current WHS regulations for low-risk workplaces such as offices, libraries and retail spaces with 1-25 persons, and high-risk workplaces such as construction, mining and manufacturing environments with up to 50 persons on site.

The R3 Trauma Emergency Response Pro™ first aid refill pack is packed with a comprehensive range of premium hospital grade contents targeted at trauma applications and three additional modules for treatment of burn injuries, eye injuries and outdoor risks such as snake and spider bites. Includes a full colour snake and spider bite identification and treatment guide and appropriate contents to effectively treat bites.

Save time, hassle and money by utilising this refill pack to replenish your existing workplace first aid kit, ensuring you are instantly compliant with national regulations.

Unique colour coded contents make locating the right item in an emergency faster and easier.
