

FASTAID R3 INDUSTRIA MAX PRO™ METAL CABINET FIRST AID KIT

Description

- White metal wall mount cabinet
- Quality heavy gauge steel
- TGA registered no. 128314
- 1-50 person low and 1-25 person high risk compliant
- Ideal for factories and warehouses

The FastAid R3 Industria Max Pro™ first aid kit is a premium industrial first aid kit, ideal for manufacturing and warehousing environments, and exceeds Australia's national Work Health and Safety (WHS) requirements for workplaces.

This first aid kit complies with the current WHS regulations applicable to low-risk workplaces, including offices, libraries, and retail spaces with 1-25 persons. It is also suitable for high-risk environments such as manufacturing and warehouse sites with up to 50 persons on-site.

The R3 Industria Max Pro™ first aid kit is packed with a comprehensive range of premium hospital grade contents targeted at trauma applications and three additional modules for treatment of burn and eye injuries. Includes extras such as hydrogel burn gels and dressings for effective burns treatment, including treatment guides.

Unique colour coded contents make locating the right item in an emergency faster and easier.

FastAid's first aid metal wall cabinets are built from a heavier gauge steel than standard to ensure they stand up to the rigours of the workplace. The organisation sleeve on the inside of the cabinet door provide space for you to place your high use first aid items and treatment guidance to ensure fast and easy access.

Compliance
