

FASTAID R3 INDUSTRIA MAX PRO™ SOFT PACK FIRST AID KIT

Description

- Red fabric soft pack
- Tough water-resistant backed fabric
- TGA registered no. 128314
- 1-50 person low and 1-25 person high risk compliant
- Ideal for factories and warehouses

The FastAid R3 Industria Max Pro™ first aid kit is a premium industrial first aid kit, ideal for manufacturing and warehousing environments, and exceeds Australia's national Work Health and Safety (WHS) requirements for workplaces.

This first aid kit complies with the current WHS regulations applicable to low-risk workplaces, including offices, libraries, and retail spaces with 1-25 persons. It is also suitable for high-risk environments such as manufacturing and warehouse sites with up to 50 persons on-site.

The R3 Industria Max Pro™ first aid kit is packed with a comprehensive range of premium hospital grade contents targeted at trauma applications and three additional modules for treatment of burn and eye injuries. Includes extras such as hydrogel burn gels and dressings for effective burns treatment, including treatment guides.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Highly portable and ultra-tough trauma style soft pack case includes internal fold out compartments to assist with kit organisation and includes a fully adjustable shoulder strap for grab and run situations. A reflective strip on the case exterior assists with locating your first aid kit in low light conditions.

Also contains a bonus wall mount bracket for convenient wall hanging to keep your kit highly visible.
