

FASTAID R3 CONSTRUCTA MAX PRO™ SOFT PACK FIRST AID KIT

Description

- Red fabric soft pack
- Tough water-resistant backed fabric
- TGA registered no. 128314
- 1-50 person low and 1-25 person high risk compliant
- Ideal for construction and civil sites

The FastAid R3 Constructa Max Pro™ first aid kit is an ideal kit for construction and civil applications, exceeding Australia's national Work Health and Safety (WHS) standards for workplace environments.

This first aid kit meets the latest WHS regulations for low-risk workplaces such as offices, libraries, and retail spaces accommodating 1-25 persons. It is also suitable for high-risk settings like construction and civil sites, compliant for up to 50 people on-site.

The R3 Constructa Max Pro™ first aid kit is packed with a comprehensive range of premium hospital grade contents and includes three additional modules for treatment of burn injuries, eye injuries and outdoor risks such as snake and spider bites. Includes a full colour snake and spider bite identification and treatment guide and appropriate contents to effectively treat bites.

Unique colour coded contents make locating the right item in an emergency faster and easier.

Highly portable and ultra-tough trauma style soft pack case includes internal fold out compartments to assist with kit organisation and includes a fully adjustable shoulder strap for grab and run situations. A reflective strip on the case exterior assists with locating your first aid kit in low light conditions.

Also contains a bonus wall mount bracket for convenient wall hanging to keep your kit highly visible.

Compliance
