

FASTAID R4 CONSTRUCTA MEDIC™ FIRST AID REFILL PACK

Description

- Handy complete refill pack for instant compliance
- Save time and hassle refilling your first aid kit
- TGA registered no. 128314
- 1-50 person low and high risk compliant
- Designed for large construction sites

The FastAid R4 Constructa Medic™ first aid refill pack is the ultimate kit for construction and civil applications, exceeding Australia's national Work Health and Safety (WHS) standards for workplace environments.

This first aid refill pack is designed for use in first aid rooms and complies with the most recent WHS regulations. It is suitable for low-risk work environments as well as high-risk areas such as construction and civil sites, covering up to 50 people on-site.

The R4 Constructa Medic™ first aid refill pack is loaded with a comprehensive range of premium hospital grade contents and includes five additional modules for treatment of burn injuries, eye injuries and outdoor risks such as snake and spider bites. The outdoor module includes a full colour snake and spider bite identification and treatment guide and appropriate contents to effectively treat bites. The burns module includes extras such as hydrogel burn gels and dressings for effective burns treatment, including treatment guides.

Save time, hassle and money by utilising this refill pack to replenish your existing workplace first aid kit, ensuring you are instantly compliant with national regulations.

Unique colour coded contents make locating the right item in an emergency faster and easier
