

FASTAID M1 BURNS MODULE

Description

- Additional risk module for first aid kits
- Durable soft pack case
- TGA registered no. 128314
- Dedicated treatments for burns and scalds
- Colour coded for easy identification

The FastAid M1 Burns Module is a dedicated additional risk module to ensure your first aid kit is compliant and prepared to treat burn and scald injuries.

Packed in a zippered colour coded and water-resistant soft pack, the Burns module is compact and easily slots into any FastAid Easy-Refill or R2, R3 or R4 series first aid kit.

Contents tailored to treat common burns injuries and are TGA registered and hospital grade quality for peace of mind. Includes a dedicated treatment card to assist emergency treatment of burn injuries.

Ensures instant compliance with WHS requirements for workplaces where the risk of burns or scalds is present.
