

FASTAID EMERGENCY BURNS KIT

Description

- Specifically stocked for treating burns
- Provides fast and effective treatment
- Includes hydrogel burns dressings
- Tough portable plastic carry case
- Suitable for smaller work environments

The FastAid Emergency Burns Kit is a robust kit containing essential treatments for those unexpected and painful burn injuries.

It contains a wide variety of burns dressings, gels, and other essentials to quickly and effectively treat thermal burns before medical help arrives.

Ideal for applications such as small offices, kitchens or other areas where thermal burns present a hazard.

Contents are packed into a highly portable plastic case to protect contents as well as ensure your kit is ready to grab and go.
