

FASTAID ANTISEPTIC RELIEF CREAM 1G SACHET 500PK

Description

- Handy individual sachets
- For minor cuts, burns, bites, stings and itches
- Provides fast and effective relief
- Helps prevent infection and promote healing
- Bulk pack for first aid kit replenishment

FastAid's antiseptic sachets are designed to provide fast and effective relief from minor cuts, abrasions, minor burns, sunburn, insect bites, stings, and itches. Their antiseptic properties help prevent infection and promote healing, making them an essential addition to any first aid kit.

Each sachet contains melaleuca oil (47.5 mg/g), phenoxyethanol, and hydroxybenzoates, which work together to protect the skin and support the healing process.

FastAid's antiseptic sachets are a convenient and effective solution for minor skin irritations, making them a valuable addition to any first aid kit or outdoor pack. The 1g sachet size is ideal for treating small areas of skin irritation, offering a practical option for on-the-go relief.

Each pack contains 500 individual 1g sachets, ideal for people replenishing first aid kits.
