

FASTAID NON-ADHERENT DRESSING 10 X 10CM 50PK

Description

- Non-adherent absorbent dressing
- Absorbs excess exudate from wounds
- Provides protection and promotes healing
- Reduces wound trauma upon removal
- Bulk pack for first aid kit replenishment

FastAid's non-adherent dressings are an absorbent dressing with an inner pad, encased between two layers of film. These dressings provide protection and promote healing by absorbing exudate from the wound site, while the film reduces pain and trauma to the wound upon removal.

Contains 50pk of 10 x 10cm non-adherent dressings individually packed in sterile easy to open pouches.

Bulk pack is ideal for first aid kit replenishment and is packed in a resealable clip seal bag.
