

# FASTAID TREK BANDIT SCOOP STRETCHER

## Description

- Aluminum construction
- Lockable couplings both ends for scooping spinal injury patients in a scissor type motion
- Length adjustable
- Folds compact for storage
- Non-porous is impervious to bodily fluids, making it easy to clean

FastAid's Trek Bandit scoop stretcher is designed to scoop spinal injury patients safely, the lockable couplings both ends ensuring that the stretcher remains together during movement. An adjustable length and compactable storage option allows the stretcher to fit all and be easy to pack.

Contains one scoop stretcher.
